

I love the music they dance on. I also learned a lot about the religion. I love the word "Mazel tov" I think, I've heard it before. Thank you Eli

I didn't know a lot of the Jewish-faith
but the presentation really informed me
about the ~~set~~ religion and made me more
curious to know even more.

A handwritten signature in cursive script, appearing to read "Gayvin E. Laffha". The signature is written in dark ink on a piece of lined paper. It features a large, sweeping initial "G" and a long, horizontal stroke that extends across the bottom of the signature.

The Jewish Wedding Tradition is a very special and intimate process. I like that it is still so beautiful and respectful towards what the couple believes in.

The videos were very interesting and informative.

Thank You Eli ☺

Jewish-faith.

The most interesting part for me was the mazeltoy part when the groom breaks the plate and the audience screaming mazeltoy. The part where the bride do the 7 circles around the groom is also a part that stand out.

Thank you so much for the special video. It was so much fun to watch! I really learned a lot about this religion and I happen to find it very romantic ♡. It was absolutely beautiful!

Thanks for the lesson.

Very insightful !

Reflection (William Omer)

I thought the video was very insightful and exciting. I love the fact that it (video) explored every aspect of the Jewish wedding. The choice of music also created an amazing atmosphere.

So thank you

Learned that a Jewish wedding is very passionate and romantic. I would really like to go to a wedding one day as it looks really exciting. The video was really beautiful and I got to learn something new.

Thank you Eli

The videos helped ^{us} visualise and understand what the third years were talking about.

It was very interesting to learn about another religion .

The videos has allowed me to learn more about Judaism.

I really - really like all the traditions like the
glasses and plate breaking. I also really like the
veiling of the bride. I also didn't know about
about a ~~J~~ JEWISH wedding, and now I
know a lot more.

It was interesting to see how similar this/their weddings are to christian weddings.

I like their traditions (glass breaking etc.) but I would never be able to fast (my metabolism is too fast...) even though I like the concept and ideas behind fasting.

✓ Ek het dit baie interessant gevind
en klamp nuwe goed geleer.
Die video het alles duideliker
gemaak.

I have to admit, I learnt more than I thought I would. While every tradition / act was romantic, the significance behind them were incredible. I really appreciate this video and the fact that Eli was ~~we~~ willing to share this part of his life with us. I will definitely be doing more research ~~on~~ on Judaism as a whole.
