The Partisans' Song - Zog Nit Keynmol - Inspiration of the Warsaw Ghetto Fighters
Bringing generations and communities together through the legacy of this
powerful song**

**Telfed will be hosting Eli Rabinowitz, visiting from Perth, Australia
Eli will take us on a journey back to the old centres of European Jewry, and will show how we
can continue to commemorate and connect to that legacy.
Using the stories of the Jewish Partisans and the song - Zog Nit Keynmol, we will be provided
with role models for standing up with confidence and ability in the face of prejudice and
oppression. The words of Zog Nit Keynmol are translated into a universal message of hope and
inspiration for alland now in 28 languages!**
