

**WE ARE HERE! The Education Program That Inspires  
The Partisans' Song - Zog Nit Keynmol - Inspiration of the Warsaw Ghetto Fighters  
Bringing generations and communities together through the legacy of this  
powerful song.**

Telfed Jerusalem is hosting  
Eli Rabinowitz, visiting from Perth,  
Australia.

Eli is taking us on a journey back to  
the centers of European Jewry, and  
will show how we can continue to  
commemorate and connect to our legacy.

Using the stories of the Jewish Partisans and the song - Zog Nit Keynmol,  
we are provided with role models for standing up with confidence and  
ability in the face of prejudice and oppression.

The words of Zog Nit Keynmol are translated into a universal message of  
hope and inspiration for all .....and now in 28 languages!

Come, see and hear Eli's presentation of his uplifting project:
